Trade-marks Journal

Vol. 63 No. 3193

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

(5) machine shop services and metal fabrication services

(6) estimating costs in the field of pipe construction projects (design, fabrication and installation), concept and design development, mechanical engineering, design drafting services, conducting technical investigations and engineering studies concerning mechanical systems, technical information services concerning operations, maintenance, products and management of piping and mechanical systems, namely, collecting and providing technical data and information concerning the foregoing in the form of printed and electronic technical publications and manuals, namely interactive electronic technical manuals (IETMs), said data, namely product life cycle data and said information, namely piping and mechanical systems maintenance and repair information; material and logistics services to industry, namely monitoring and managing industrial production equipment and supplies, namely monitoring, scheduling and implementing equipment maintenance, repair and overhaul, maintaining spare parts and supplies inventories, and transportation and warehousing services in support of the foregoing; providing customized industrial management and reporting systems to assist in monitoring and managing quality and sufficiency of industrial production equipment and supplies

(7) the rental of industrial and construction equipment, namely, the rental of trucks, truck-tractors, dump trucks, trailers, floats, cranes, backhoes, welders, heavy construction equipment, industrial cleaning equipment, jacks, and equipment ancillary to the above

(8) warehousing services; harbor crane unloading services, namely, chainfall and chain hoist crane unloading services; supply chain logistics and reverse logistics services, namely, storage, transportation and delivery of goods and materials for others by air, rail, ship or truck; educational training services in the field of engineering; engineering and engineering consulting services, namely, ship, vessel, platform, and plant engineering, mechanical engineering, hull and marine engineering, electrical and electronic engineering, concept and design engineering, design drafting, design integration services, technical investigation and engineering studies and surveys, specification and feasibility studies, and test and trial programs; technical information services, namely configuration and data management and product data life cycle management as they relate to ships, vessels, platforms, plants, and their systems, SGML/SL conversion, and the preparation of technical publications, namely, manuals, booklets, brochures, pamphlets, posters, maintenance and repair documentation, designs and drawings, and reports, analyses and studies associated with ships, vessels, platforms, plants, and their systems; material and logistics services for military, ship, vessel, platform and plant equipment and their systems, namely repair and overhaul requirements, customized management and reporting systems, spares, namely the replacement of parts or components for military, ship, vessel, platform and plant equipment, inventory and maintenance support; maintenance management services, namely RAM, level of repair analysis, preventive and corrective maintenance, maintenance plans and performance tests, spare parts, tools and test equipment, condition surveys, and maintenance and repair documentation services, all as they relate to ships, vessels, platforms, plants, and their systems; inspection and testing services as they relate to ships, vessels, platforms, plants, and their systems; tank inspections for ships, vessels, platforms and plants; noise/vibration analysis (NVA) and balancing, namely analysis of noise and vibration associated with ships, vessels, platforms, plants, and their systems; non-destructive inspection and testing of liquid penetrate visible and ultraviolet, magnetic particle visible and ultraviolet, ultrasonic flaw detection and thickness, and radiography gamma and X-ray; inspection, repair and installation of cranes, namely, chainfall and chain hoist cranes and their parts , namely, slings, hooks, spreader beams and lifting beams; testing, analysis and evaluation of materials, both in-house and on site, namely, metal; calibration, namely the making of adjustments to equipment that ensures weight, volume, dimension, thickness, flows of fluids, vibration levels and force to ensure the measurements are accurate; surveying services in the field of pre-engineering, civil, mechanical, piping, drafting and shipbuilding; weigh scale services, namely the weighing of materials and equipment for others, and the calibration and repair of weigh scales for others; quality environmental services, namely training, documentation, auditing and consulting associated with ships, vessels, platforms, plants, and their systems and the application of related International standards and regulations

(9) manufacturing services for others in the fields of personal care and absorbent consumer paper products, namely diapers, training pants, baby wipes, baby changing pads, adult incontinence products namely, disposable incontinence undergarments, briefs, protective underwear, absorbent shields and pads, feminine hygiene products, namely sanitary napkins, panty liners and tampons, and personal care wipes

(10) operation of a business dealing in the sale of component homes, modular homes, industrial buildings, industrial trailers, mini homes, and cabinets

(11) operation of business outlets providing for the retail and wholesale supply of hardware, household and building materials

(12) design, installation and construction of windows, doors, kitchens, bathroom and building improvements and repairs; advertising and promoting the hardware, household and building materials of others through the distribution of newsletters and in store and online displays; dissemination of information via printed publications, newsletters and websites on hardware, household and building materials that can save energy in the home and related information; operation of an internet website offering information on hardware, household and building materials that can save energy in the home and related information

(13) reforestation services namely forestry management and forestry management consulting services; providing information about reforestation programs and other environmental initiatives in the forest, paper, wood products industry; providing contest programs pertaining to a line of absorbent consumer paper products; providing coupon programs pertaining to a line of absorbent consumer paper products

(14) operation of power generation facility

(15) operation of aircraft

(16) heavy civil construction, aggregate supply, project management, demolition; construction of concrete commercial and industrial foundations; excavation; namely controlled drilling and blasting

(17) forest product research and development

(18) providing installation and maintenance services to wind farm operators

(19) technology research and development, namely oceanography research and development, marine science research and development, naval research and development, and ship building and ship maintenance research and development; and technology commercialization

(20) educational services, namely, providing ongoing television public service announcements in the field of forest management, research and habitat conservation; public service programs in the field of forest management, research and habitat conservation produced and distributed over television, satellite, film, audio, video, internet, and 3-D virtual reality media; operation of a website to provide information in the area of forest management, research and habitat conservation

(21) operation of a business for the sale and distribution of various business and industrial goods, namely men's and ladies' uniforms, safety footwear, gloves, rain wear, dry goods, cresting and embroidery, safety products, namely first aid supplies, fire equipment, disposable clothing and protection equipment, office supplies and furnishings, namely office furniture, stationery, printed forms and drafting supplies, micrographics work, namely type setting and offset printing, engineering printing, 16mm document microfilm, 35mm aperture microfilm and photocopying, industrial supplies, namely cleaning and maintenance supplies, paper products, industrial abrasives and tooling, paints and coatings, and steel strapping and supplies, food, meat and other provisions to woodland and other industrial operations, and bonded storage

(22) industrial cleaning services

(23) reforestation services namely forestry management and forestry management consulting services; videotaping, interviewing and reporting services; news casting services; broadcasting services via television, radio and the Internet; providing a website offering information about reforestation programs and other environmental initiatives and the role of well managed forests, forest certification, and recycled paper; providing a blog site, namely videos, images and text about reforestation programs and other environmental initiatives and the role of well managed forests, forest certification, and recycled paper; providing educational scholarships and information about educational scholarships; providing information about education savings plans and institutions offering elementary, secondary and higher education; providing information about reforestation programs and other environmental initiatives in the forest, paper and wood products industry; conducting contests to win educational funds and educational resources; conducting contests pertaining to a line of absorbent consumer paper products; providing coupon programs pertaining to a line of absorbent consumer paper products

(24) providing services through the Internet, namely operating social media pages in the field of absorbent consumer paper products; providing contest programs pertaining to a line of absorbent consumer paper products; providing coupon programs pertaining to a line of absorbent consumer paper products

(25) promoting the sale of third party wares made in Atlantic Canada through promotional contests, the distribution of coupons, through in-store consumer programs, and though online consumer programs and contests

(26) provision of services for the design of crane lifts

(27) naval construction and repair

(28) drydock services; maintenance, repair, construction and conversion of ships and vessels

(29) private security services

(30) digital and specialty printing, namely signs, banners and posters; fleet graphics and decals

(31) pipe spools and steel and pipe piece fabrication, installation of pipe spools and associate piping components, fabrication of components for modular units, assembly and installation of modular units
